

Clay Creations Studio Summer Clay Youth Program for 2012

Clay projects to be made this year:

Potter's Wheel: Bowls, plates, mugs, vases with time allowed for carving designs and decorating.

Sculpture: Creating a sculpture of one's own interest and choice. Could be an animal, person or of nature.

Hand Building: Textured flower pots and mugs.

Ice Cream Tradition: Friday's ice cream party will be served after lunch in hand painted bowls made by the children.

More of the Potter's Wheel this year!

The children have told us how much they enjoy using the potter's wheel to create many forms and shapes, so this year the camp will have an enjoyable extended amount of time doing just that!

Clay program times are 9-2pm Monday thru Friday. Cost \$225. Includes all materials needed plus a Clay Creations T-Shirt. If you would like a sweatshirt instead, please add an additional amount of \$15 to your registration form.

Margaret Tassi has been teaching children's ceramics for the past 12 years at Clay Creations. Children come back year after year to our summer program for the unique experience of working in clay.

We believe strongly in these key principles to our program.

1. Encourage using the imagination.
2. Instill pride in personal ideas and abilities.
3. Focus strongly on individuality.
4. Honor the creative process with less emphasis on the finished product.

The Clay Program is designed to give children a week to explore the clay experience by using the potter's wheel, hand building and sculpture techniques. We have exciting new projects planned this year along with time allowed for children to create their own ideas as well.

Every day we have one hour for lunch outside so kids may run around and play games. Please provide your child with a lunch and snack everyday. Thank you!
